Retirement Living Starts Here

Reaching retirement is a major milestone, and even if you're not ready to slow down, there's something undeniably appealing about a more relaxed lifestyle with fewer responsibilities and more freedom to enjoy each day. Whether you're planning ahead or prompted by a life or health event, choosing a new home is a big decision — one where comfort, security, and affordability matter deeply. Ruby Living offers the ideal solution with

a Life Right: a legal agreement that gives you lifelong use of a home in return for a lump sum. At Mulbarton Manor, this means more than just a place to live — it's a vibrant, secure community where hotel-style hospitality, wellness programmes, and outstanding medical care come standard. Whether you thrive on being active and social or prefer life at a gentler pace, the focus here is always on your quality of life.
